# WE'RE WITH YOU every step of the way

## Making Your Life Easier

Our dedicated team of service and solution experts provide prompt service to help you reduce downtime and **achieve business results.**

### ON-SITE TRAINING

ServSafe®-certified professionals provide regular training support

### EXPERT SERVICE

Regular preventative service and 24/7/365 emergency support

### ACTIONABLE REPORTING

Post-visit reports provide operational insights that drive action

Our Monogram™ Clean Force™ team will work with you to implement a program that addresses your specific needs, helping to ensure smooth operations, reduce the risk of foodborne illness and delight guests. We are here 24/7 to take care of problems, so you can take care of business.

# DISHMACHINES

\*Leasing equipment reduces capital investment versus purchasing equipment.

## Helping Achieve One-Pass Results

### Five Factors of Clean

Programs designed to ensure all factors work together to deliver results

#### PROCEDURE

- On-site training proactively delivered
- Specific to the unique challenges for each facility

#### CHEMICAL ACTION

- Inspection of dilution control systems
- Unit-level product recommendations based on specific soil challenges, water, conditions, etc.

#### TIME

- Proactive maintenance of machine cycle times with specific emphasis on the challenges of each unit

#### MECHANICAL ACTION

- Proactive maintenance of wash arms, motors, belts, pumps, rinse jets, etc., to ensure mechanical action

#### TEMPERATURE

- Regular inspection and maintenance of procedures, scale buildup, etc., impacting temperature

Our dedicated team, along with the **innovative design of the dishmachines**, helps ensure all five factors work together, delivering results **for optimized operations and delighted guest experiences.**

## SINGLE DOOR MACHINES

### ES-2000

Self-cleaning internal sump helps ensure a clean final rinse.

| Racks/<br>Hour<br>(NSF Rating) | Gallons/<br>Rack<br>(NSF Rating) | Sanitizing<br>Method | Wash<br>Chamber<br>Height | Dimensions*        |
|--------------------------------|----------------------------------|----------------------|---------------------------|--------------------|
| 40                             | 1.02                             | Chemical             | 19"                       | 64¼" x 25¼" x 25¼" |

### ES-2000 Vapor Vent

Vapor Vent system for the ES-2000 requires no external ventilation system and no additional space.

| Racks/<br>Hour<br>(NSF Rating) | Gallons/<br>Rack<br>(NSF Rating) | Sanitizing<br>Method | Wash<br>Chamber<br>Height | Dimensions*        |
|--------------------------------|----------------------------------|----------------------|---------------------------|--------------------|
| 28                             | 1.02                             | Chemical             | 19"                       | 68½" x 25¼" x 25¼" |

### XL-HT/XL-HTHH

High temperature with onboard booster heater. Utilizes Energy Star® rating.

| Racks/<br>Hour<br>(NSF Rating) | Gallons/<br>Rack<br>(NSF Rating) | Sanitizing<br>Method | Wash<br>Chamber<br>Height | Dimensions*                             |
|--------------------------------|----------------------------------|----------------------|---------------------------|---|
| 58                             | 0.798                            | Temperature          | 17"<br>27"                | 70¾" x 25¼" x 25¼"<br>81" x 25¼" x 25¼" |

### ES-2000HT

High-temperature machine helps provide fast drying.

| Racks/<br>Hour<br>(NSF Rating) | Gallons/<br>Rack<br>(NSF Rating) | Sanitizing<br>Method | Wash<br>Chamber<br>Height | Dimensions*       |
|--------------------------------|----------------------------------|----------------------|---------------------------|-------------------|
| 55                             | 1.25                             | Temperature          | 17"                       | 67" x 25¼" x 25¼" |

### ES-2000 HT Vapor Vent

Vapor Vent system requires no additional space and no external ventilation system.

| Racks/<br>Hour<br>(NSF Rating) | Gallons/<br>Rack<br>(NSF Rating) | Sanitizing<br>Method | Wash<br>Chamber<br>Height | Dimensions*       |
|--------------------------------|----------------------------------|----------------------|---------------------------|-------------------|
| 37                             | 1.25                             | Temperature          | 17"                       | 67" x 25¼" x 25¼" |

## DOUBLE DOOR MACHINES

### ES-4000

Low-temperature, Energy Star® machine with self-flushing, removable stainless steel pump strainer to simplify cleaning.

| Racks/<br>Hour<br>(NSF Rating) | Gallons/<br>Rack<br>(NSF Rating) | Sanitizing<br>Method | Wash<br>Chamber<br>Height | Dimensions*        |
|--------------------------------|----------------------------------|----------------------|---------------------------|--------------------|
| 78                             | 1.17                             | Chemical             | 19"                       | 64¼" x 44⅞" x 25⅞" |

## CONVEYOR MACHINES

### EC-44-LW/EC-66-LW

Separation of wash and rinse sections designed to prevent wash water contamination in final rinse.

| Racks/<br>Hour<br>(NSF Rating) | Gallons/<br>Rack<br>(NSF Rating) | Sanitizing<br>Method     | Wash<br>Chamber<br>Height | Dimensions*                           |
|--------------------------------|----------------------------------|--------------------------|---------------------------|---------------------------------------|
| 244                            | 0.62                             | Chemical/<br>Temperature | 18"                       | 68" x 43¾" x 27"<br>68" x 65¾" x 32⅝" |

### EC-44HH-LW/EC-66HH-LW

High-throughput conveyor with 25" clearance.

| Racks/<br>Hour<br>(NSF Rating) | Gallons/<br>Rack<br>(NSF Rating) | Sanitizing<br>Method     | Wash<br>Chamber<br>Height | Dimensions*                           |
|--------------------------------|----------------------------------|--------------------------|---------------------------|---------------------------------------|
| 244                            | 0.62                             | Chemical/<br>Temperature | 25"                       | 75" x 43¾" x 27"<br>75" x 65¾" x 32⅝" |

## UNDER-COUNTER/GLASSWARE MACHINES

### E-ULT

Low-temp, Energy Star® undercounter. Easy to operate user interface. Interior LED lighting.

| Racks/<br>Hour<br>(NSF Rating) | Gallons/<br>Rack<br>(NSF Rating) | Sanitizing<br>Method | Wash<br>Chamber<br>Height | Dimensions*     |
|--------------------------------|----------------------------------|----------------------|---------------------------|-----------------|
| 25                             | 0.84                             | Chemical             | 14¾"                      | 34" x 24" x 25" |

### E-UHT

High-temp, Energy Star® undercounter with fresh water recirculating design to help achieve one-pass results.

| Racks/<br>Hour<br>(NSF Rating) | Gallons/<br>Rack<br>(NSF Rating) | Sanitizing<br>Method | Wash<br>Chamber<br>Height | Dimensions*     |
|--------------------------------|----------------------------------|----------------------|---------------------------|-----------------|
| 27                             | 0.76                             | Temperature          | 14¾"                      | 34" x 24" x 25" |

### OMEGA 5E

Waist-high loading to help address productivity.

| Racks/<br>Hour<br>(NSF Rating) | Gallons/<br>Rack<br>(NSF Rating) | Sanitizing<br>Method | Wash<br>Chamber<br>Height | Dimensions*       |
|--------------------------------|----------------------------------|----------------------|---------------------------|-------------------|
| 37                             | 0.97                             | Chemical             | 11½"                      | 38" x 24¼" x 25¼" |

### DF by Moyer Diebel

The right glassware solution for a busy bar.

| Glasses/<br>Hour<br>(NSF Rating) | Gallons/<br>Min.<br>(NSF Rating) | Sanitizing<br>Method | Wash<br>Chamber<br>Height | Dimensions*     |
|----------------------------------|----------------------------------|----------------------|---------------------------|-----------------|
| 1000                             | 2.8                              | Chemical             | 10"                       | 39" x 25" x 27" |

## BOOSTER HEATER

### Booster Heater

Helps ensure proper water temperatures for clean, sanitized ware.

\*Distance between tables

# WAREWASHING

Increase efficiency in dishwashing with high-performing solutions designed to clean dishes in the first wash.

## MACHINE DETERGENT

EZ

### Concentrated Dishmachine Detergent

Premium, super-concentrated dishmachine detergent helps keep dishes and wares clean in tough operating and water conditions. Concentrated formula helps with dilution control, cost management and overall operational efficiency. Features Monogram™ Clean Force™ EZ closed-loop dispensing platform.

1554679

5 L

D26

### Dishmachine Detergent All Temperature

Industrial strength, concentrated, chlorinated dish washing detergent with all the cleaning power of concentrated powders, together with all the advantages of a liquid system.

7340144

2.5 gal.

D1

### Dishmachine Detergent Low Temperature

Serve a positive experience to your guests by consistently providing clean dishes. Low use cost. Suitable for both low-temp and high-temp dishmachines.

8362022

5 gal.

D21

### Solid Dishmachine Detergent

Heavy-duty, solid, machine dishwashing detergent effectively removes stains and stubborn food soils with ease helping ensure your customers leave with a lasting positive impression.

4000885

2/9 lbs

D39

### Dishmachine Bar Detergent

Designed for under-counter machines for glassware cleaning. Help reduce spotting and streaking with no chemical residue. Easily removes glassware haze, food soils and lipstick stains, helping ensure optimal beverage quality.

5291667

4/1 gal.

D33

### Metal Safe Solid Dishmachine Detergent

Compact detergent that is uniquely formulated to penetrate and strip away stubborn food soils while special metal-protecting agents prevent damage to aluminum and other soft metals. Made without phosphorus.

8423933

2/8 lbs

D40

EZ For use with our EZ Dispensing Platform

## RINSE ADDITIVE

EZ

### Heavy Duty Rinse Additive

Premium heavy-duty rinse additive designed to speed-dry and produce spotless appearance of glasses and wares, even in hard water conditions or in high mineral content. Concentrated formula helps with dilution control, cost management and overall operational efficiency. Features Monogram™ Clean Force™ EZ closed-loop dispensing platform.

4959856      5 L      D28

### Rinse Additive for High Solids

Designed to speed-dry and produce film-free appearance of dishware. Save time in polishing your dishes or glasses manually.

8366320      5 gal.      D22

## MACHINE SANITIZER

EZ

### Low Temp Dishmachine Sanitizer

Supports FDA Food Code compliance by providing the sanitization required for low temp dishmachines. Safe for use on food-contact surfaces; works in high- and low-temp machines. Features Monogram™ Clean Force™ EZ closed-loop dispensing platform. EPA Reg. No. #1677-52-541

3742737      5 L      D25

## MACHINE SANITIZER (cont'd)

### Low Temp Dishmachine Sanitizer

Supports FDA Food Code compliance by providing the sanitization required for low temp dishmachines. Safe for use on food-contact surfaces; works in high- and low-temp machines. EPA Reg. No. #1677-52-541

6365084      5 gal.      D23  
4333720      2.5 gal.      D4

## DELIMER

### Delimer

Effortlessly removes hard water deposits (lime scale and rust) in equipment and surrounding areas to help achieve efficient equipment performance. Helps reduce rewash, saving water and energy. Non-fuming.

4367561      4/1 gal.      K1

## PRESOAK

**EZ**

### Enzyme Presoak

Penetrate stubborn food soils and break down protein films on silverware prior to wash procedure. Help improve efficiency by reducing rewash. Features Monogram™ Clean Force™ EZ closed-loop dispensing platform.

3986002 5 L D27

### Presoak RTU

A simple and effective addition to a warewashing program, which provides sparkling results and helps improve guest satisfaction. Contains enzymes to break down tough food soils the dishmachine can't handle alone.

1032589 48/0.88 oz. K80

### Silverware Presoak Liquid With Enzyme

Silverware presoak contains detergents and enzymes that penetrate stubborn food soils and break down protein films. Improves efficiency by helping ensure one pass through the washing process with great results.

3719997 4/1 gal. K70

## MANUAL BAR

### Liquid Manual Bar Sink Detergent

Simplify the cleaning process with this low-foaming liquid detergent for use with manual or automatic brush systems. Effectively cleans and shines glassware and utensils while reducing the need to polish glassware manually. Effective in hot or cold water. Does not leave residue.

8122793 4/1 gal. K71

## MANUAL SANITIZER

**EZ**

### 22 Multi-Quat Sanitizer

Help keep your operations running smoothly and reduce risk of food safety incidents with this premium, EPA-registered, no-rinse multi-quat sanitizer. Formulated for third sink and spray-and-wipe applications. Effective within a wide concentration range (150-400 ppm). Features Monogram™ Clean Force™ EZ closed-loop dispensing platform.

1483772 5 L D24

### Food Contact Quat Sanitizer

Help keep your kitchen clean and reduce risk of food safety incidents with this EPA-registered broad-spectrum quat sanitizer with organic soil and hard water tolerance. Multi-purpose formula effectively helps prevent the transmission of germs on food-contact surfaces.

EPA Reg. No. 6836-70-541  
1281768 4/1 gal. K75

**EZ**

### Sink & Surface Cleaner Sanitizer

An EPA-registered concentrated no rinse 2-in-1 cleaner, sanitizer for food contact surfaces. A simplified solution for use in the third compartment sink and on food contact surfaces. On food contact surfaces, this is a one-product solution that requires only two steps to clean and sanitize. Eliminating the rinse step equips staff to clean and sanitize more efficiently. Kills SAS-CoV-2 in 15 seconds\*\* and kills norovirus, common cold and flu viruses in 30 seconds when used according to the label.

EPA Reg. No. 1677-260  
5662037 5 L K84

### Surface Cleaner Sanitizer RTU

EPA-registered no rinse 2-in-1 RTU cleaner, sanitizer requires only two steps to clean and sanitize simplifying how you clean food contact surfaces. Kills SARS-CoV-2 in 15 seconds\*\* and kills norovirus, common cold and flu viruses in 30 seconds when used according to the label.

# KITCHEN SPECIALTY

**CLEAN  
KITCHENS**

Solutions for a well-run kitchen, making food safety and efficient operations second nature for your staff.

## FRYER, OVEN & GRILL CLEANER

### Fryer Cleaner Packets

Easy-to-use powdered fryer cleaner designed to safely remove carbonized grease inside the fryer. Requires boil-out step; non-caustic formula means no acid rinse. Portioned to control costs.

1118783      26/8 oz.      K52

### Oven and Grill Cleaner Gel Formula

Address operational efficiency with this high-performance cleaner that quickly cuts through tough, baked-on soils. Patented, clinging gel formula provides significant surface contact and helps eliminate messy drips and waste. Safe for stainless steel and melamine.

5341169      4/1 gal.      K13

FEATURED

### Glove-Free No Boil Fryer Cleaner

Ready-to-use spray-on cleaner requires no boil-out to clean tough, cooked-on grease in the deep fryer. No personal protective equipment required.

2264151      2/24 oz.      K82

### Oven and Grill Cleaner Aerosol

Aerosol formula designed to penetrate soils. Ideal for cleaning heavy grease on ovens, barbecue grills and stainless steel. Foaming spray delivers better coverage and visibility on surfaces.

7912660      6/20 oz.      K44

FEATURED

### High Temp Grill Cleaner

Minimize grill downtime with this grill cleaner designed for quick use during operation. Fast-working formula strips grease buildup and baked-on carbon without the need to cool down the grill. Works in just 60 seconds with no rinse or PPE required.

632398      4/32 oz.      K32  
7911779      30/3.6 oz.      K45

## HEAVY DUTY DEGREASER

### Heavy Duty Glove-Free Degreaser

Simplify the cleaning process with this PPE-free degreaser that penetrates tough, baked-on grease and lifts it away from the surface. Ready-to-use foam clings to vertical surfaces and is aluminum-safe. Features Monogram Clean Force EZ closed-loop dispensing platform.
