

73 DISINFECTING ACID BATHROOM CLEANER

Keep your facility clean and safe. Proper disinfecting keeps your guests and employees safe from harmful germs in high-touchpoint, front-of-house areas, including bathrooms. With its premium chemistry, 73 Disinfecting Acid Bathroom Cleaner is formulated to kill microorganisms and eliminate malodors.

73 DISINFECTING ACID BATHROOM CLEANER

Cleaning bathrooms can be a time-consuming, dirty job. 73 Disinfecting Acid Bathroom Cleaner can make the process faster and more positive, with shorter contact times necessary to disinfect, versus the leading competitor, and a pleasant fragrance to clear the air.

73 DISINFECTING ACID BATHROOM CLEANER

Product Attributes

- EPA-registered
- Non-abrasive
- Formulated to disinfect
- Sanitizes hard, non-porous surfaces in 90 seconds
- Disinfects in five minutes*, compared to 10-minute disinfection time from leading competitors
- Pleasant, soapy fragrance
