

## One Floor Cleaning Solution for the Entire Restaurant

# Alkaline No-Rinse Floor Cleaner

A high-performance alkaline floor cleaner that delivers superior cleaning results to both the front and back of house.

**Efficient:**

- No rinse required
- Fast dry time

**Effective:**

- Optimal grease removal
- Helps prevent streaking on floors
- Safe on grout

**User-Friendly:**

- Refreshing, clean scent
- One floor cleaner for entire restaurant

**Directions for use:**

1. Dispense floor cleaner into mop bucket with preferable HOT water.
2. Using a mop or deck brush, apply solution to floor.
3. Use a mop to clean the floor.  
For tile floors, scrub and clean using a deck brush.
4. No rinse required.
