## Heavy Duty Glove-Free Degreaser

**An effective degreaser that does not require gloves, goggles or an apron to clean ovens, grills, stove hoods and much more.**

Features unique technology that actually penetrates tough, baked-on grease and lifts it away from the surface. It is a powerful degreaser, even though it does not require gloves, goggles or an apron to use. Available in a bottle spray and a 2L refillable jug, the Heavy Duty Glove-Free Degreaser is biodegradable and has no noxious odors, will not damage aluminum surfaces and arrives in two-pack sizes.

### Why Is It Important To Use A Degreaser?

- Grease buildup on the inside and outside of kitchen equipment is a potential ignition source for a dangerous and costly grease fire
- One fire can increase insurance premiums by thousands of dollars
- Baked-on grease reduces energy efficiency
- Everyone wants to work in a clean kitchen

### Products Attributes and Benefits

- Unique technology that penetrates tough, baked-on grease and lifts it
- No noxious odors, making it more pleasant for employee use
- Safer for employees than caustic degreasers because this product is non-corrosive and less irritating to eyes and skin
- Will not damage aluminum surfaces, unlike many caustic degreasers
