

Enzymatic Formula Eats Away at Baked-On Soils

Easy Scrub Heavy Duty Pot & Pan Detergent with Enzymes

Help your staff spend less time cleaning and more time on other important tasks.

Faster Cleaning

- Heavy-duty formula with enzymes to break down tough soils
- Helps employees spend less time scrubbing

Easy to Use

- Closed loop EZ packaging helps prevent spills and product misuse
- Effective as a presoak and dish detergent
- Heavy duty, concentrated formula

Directions for use:

1. **Wash:** Wash with Easy Scrub Heavy Duty Pot and Pan Detergent with Enzymes.
2. **Rinse:** Rinse with hot water.
3. **Sanitize:** Sanitize with food contact sanitizer.
